March 27th, 2020 - the most comprehensive study of ideology and utopia since Karl Mannheim's work of the 1930s. Utopia and Revolution can be understood as turning classical political theory on its head or perhaps inside out instead of the usual summary of how English radical theologies contributed to the revolutionary process. Lasky shows how such political theology of the mid-seventeenth century became the

April 24th, 2020 - In Utopia, form and society merge. Utopia also inspired architects and city planners to question how to build an environment which would not only reflect an ideal society but help to shape it in the first place. The book was thus important for the thinking of the 17th and 18th Centuries.
