' **10 Most Famous Realism Artists And Their
Masterpieces**

May 3rd, 2020 - Realism was an art movement that
began in France in the 1850s and later spread to

other nations with the most prominent equivalent

movements arising in Russia and the U S The Realists rejected the then dominant movement of Romanticism which focused on glorification of the past and of nature They instead decided to portray with unpromising truth and accuracy the people and situations of **'realism movement**

overview theartstory

may 3rd, 2020 - realism was the first explicitly anti institutional nonconformist art movement realist painters took aim at the social mores and values of the bourgeoisie and monarchy upon who patronized the art market though they continued submitting works to the salons of the official academy of art they were not above mounting independent exhibitions to'
